NOTICE

Many changes in the Food Stamp Program will take place in the next few months. The first major change will take place on January 1, 1979. As of January 1, 1979, people who are eligible for food stamps will no longer have to pay any money in order to receive their coupons.

In the past people who get their food stamps in the mail had to mail money to the local food stamp office before the stamps were mailed to them. For instance a person who had to pay $70.00 for $100.00 worth of food stamps had to mail $70.00 to the local food stamp office with a special form before the $100.00 worth of stamps was mailed back. This person received $30.00 worth of bonus food stamps ($100-$70.00). Beginning on January 1, 1979, this person would receive $30.00 in bonus coupons directly in the mail, without having to send any money or any special forms to the local food stamp office. The money previously used to buy food stamps would be used to purchase food beginning January 1, 1979.

Food stamps, for persons who get them regularly in the mail, will be mailed on the first five working days of each month.

If you have any questions about how this will affect your food stamp case please call your local food stamp office. Phone 352-7122.
